15) Statement - (Flag Z.) furnishes information regarding the points raised in para 12 above. The D.F.S. has stated that out of the four officials now working in connection with the clearance of foodgrains

in K.G.F. Viz Messrs (i) P.V. Lakshmanarayana Rao, Acting Special Assistant and (ii) Abdul Khudoos, Depot clerk, have been drafted from other offices and that the remaining two officials Viz., Messrs (i) S. Nagaraja Rao, who is working as Special Revenue Inspector and (ii) M.N. Annamalai, Depot clerk, have been newly entertained in the Food Section K.G.F.

Flag Z) 16) In his letter dated 16.3.1947 the Deputy Commissioner Kolar has explained that the K.G.F. is the third biggest rationed area in the State and that all the food grains required for the area have to be imported from outside, whether from within or without the State. The work of clearing, Consignments at the railhead will therefore be almost steady throughout the year" and the Continuance of the existing Special staff (Viz., 1 Stenotypist, 1 Revenue Inspector, 2 Depot clerks and 4 peons — Vide paras 3 & 4 of note above) is therefore essential for the smooth working of the rationing scheme. Kolar

also stated that the above staff have been continued in anticipation of sanction and has requested approval for the action taken by him. As regards the pay of the staff, he has suggested that it may be similar to the scales of pay sanctioned for the special staff of Bourinpet in G.O. No FD. 2319-22/A 92-45-16 dt 5/9.9.46 which may be given with retrospective effect. The scales of pay sanctioned for Bourinpet in G.O. dated 5/9.9.46 are as under:-

1 Special Shanbogs on Rs. 80+10 C.A.
1 Special Revenue Inspector — 50+10 C.A.
2 Depot clerks — 40/- each p.m.
8 peons — 10/- each p.m.

17) In the circumstances the Director of Food Supplies has solicited sanction for the continuance of the special staff as at present till the end of June 1947, on the following revised scales of pay, as originally recommended in his letter dated 25.5.1946 - (P.U.D)

The sanction accorded in G.O. dated 23/28.2.46 expired on 23.5.46 L.] The D.C. 19) In the proposals leading to G.O. of 28.2.46 (Fl. L.), the D.F.S. wanted sanction for just three months, and the staff was to be employed as & when necessary. This staff which was sanctioned for three months has been continued in anticipation of sanction, and it is now said the staff is necessary throughout the year. Even on his leaving on 27.5.46, this staff was sought to be continued on view

of large supplies expected in the near future. It was understood it was a famine year, and all supplies had to come from outside Kolar Dt.

2) There is not seem to be any good ground to enhance the scales of pay, as proposed. The work of these officials is no more arduous than that of officials working at the Bangalore City Railway Goods Shed, for example. If the continuance of the staff is favoured, they may be given just the pay that other Food officials doing similar work are entitled to.

Re: Special staff for clearance of imported food grains at K.G.F.

--

Adverting to Govt.order No.SD.6060-63/A.150/45/4 dated 23rd/26th Feb.46, sanctioning the additional staff consisting of one special sheristedar, one special Revenue Inspector, 2 depot clerks and 4 peons for a period of 3 months, I have the honour to state that the Food Rationing Authority, K.G.F. has reported to say that the continuance of the special staff entertained from Feb.46 is absolutely necessary in view of the large foreign consignments expected at his end in the immediate future. Considering the arduous nature of the work and the heavy responsibility involved he has recommended that the additional staff be allowed to draw their allowances according to the basic scale sanctioned under Harvest Acquisition operations in the circumstances set forth in his letter. I enclose herewith a copy of the same for reference. As the distribution of food grains is being made entirely out of the supplies received from outside, the additional staff is necessary even without the foreign imports as the present staff is very inadequate to cope up with the work there. I am in agreement with the Food Rationing Authority, K.G.F. and I recommend that the additional staff may be permitted to draw their salaries according to the basic scale as proposed by me and continued up to end of Decr.46.

2. In view of the above, I request you to kindly move Govt. to revise the scale of pay of the appointments now sanctioned and obtain sanction of Govt. to the continuance of the additional staff upto end of Decr.46.

I shall be thankful for early action in the matter.

Re: special staff for clearance of foreign rice, etc.

--

With reference to your memo No.FS.1430/45-6 dated the 6th April 46 forwarding copy of G.O.No.SD.6060/63/A.150/45/4 dated the 23rd/26th Feb.46 and requesting me to furnish my views on the subject, I have the honour to state that Kolar Gold Fields, is a special area where living is costly and unless the pay of the above staff is sufficiently attractive, it will not be possible to secure the services of ~~the~~ good and officials. Food work by its very nature, is onerous and fraught with considerable responsibility. Officials of real merit and capability are averse to accept these appointments and this has been everyday experience. Hence unless these posts are made attractive, the purpose of creating a special staff defeats itself.

2. Further, the depot Managers and the Assistant Food Inspectors are being paid Rs.40/- per month and as such the special Sheristedar and the special Revenue Inspector who have to supervise their work should necessarily be given some higher pay. As already stated above, the depot clerks who are designated as Depot Managers are all being paid Rs.40/- and it will not be in the fitness of things to fix the pay of the newly entertained Depot Managers (clerks) at Rs.30/- as they will have to shoulder more or less the same responsibility in receiving storing, issuing and accounting the huge consignments that have arrived and are expected to arrive in quick succession. In fact the special staff that has already been entertained here has worked from 7 a.m. till late in the night, almost on all the days when Burma rice consignments arrived.

p.t.o.

I therefore request that the pay of the special staff entertained may kindly be got fixed as noted in the margin which was proposed by me in the beginning and recommended by you also.

1.	Special Sheristedar.	Rs.80/-
2.	Special Revenue Inspector	50/-
3.	Depot Managers.	40/-
4.	P e o n s.	12/-

The special Sheristedar is not only attending to this special work but also in fact he is mainly responsible for the compilation and preparation of various accounts. He has been of immense help in this connection and unless he is given the pay that is already proposed, the results ensuing will be very disheartening and discouraging and quite detrimental to Government interest. For the same reasons, I would emphasise the fixing of the pay of the special Revenue Inspectorx and the Depot Managers also at Rs 50/- and Rs 40/- respectively.

Further, I beg to submit that I have all along been urging for sanctioning additional staff to cope with the increased work due to the arrival of foreign consignments and expansion of control on hotels and bakeries. It may also be pointed out here that almost all future supplies will be from outside the State and it will not be possible to obtain sanction of Government on every occasion to entertain additional staff well in time. Moreover, it will also be not possible to secure efficient and trustworthy officials at short notice when urgently needed. It is unsafe to entrust such heavy stocks costing thousands of rupees to new entrants or officials who have no stake.

Under these circumstances, I request that the Director of Food Supplies may kindly be addressed not only to sanction the enhanced rate of pay proposed above but also to obtain the sanction of Government for the continuance of this additional staff permanently until the Rationing Scheme in this area continues to be in force, as already requested by me in my letter No.R.C.2150/45-46 dated 22/3/1946.

The favour of very early orders are solicited.
